PREFACE

The APTD Certification Handbook is the primary source for the APTD program and provides individuals with everything they need to know to understand, participate in, and complete the APTD certification process. It is a must read for APTD applicants and candidates. Candidates must comply with all policies, procedures, and deadlines in this manual.

The ATD Certification Institute (ATD CI) reserves the right to change the standards, application, and requirements for the APTD certification and recertification processes as necessary. It is important that candidates refer to the Certification Handbook often to check for updates to ensure they have the most current information.

The APTD Certification Handbook is the property of ATD CI. Permission to reproduce its contents must be granted in writing from ATD CI.

INTRODUCTION

About Us
The ATD Certification Institute (ATD CI) is an independent organization created by the Association for Talent Development (ATD) in 2001. ATD CI’s mission is to set industry standards for the talent development profession, provide an independent validation of those standards, and confer credentials. ATD CI’s vision is to provide internationally recognized credentials for the talent development community to make the world work better.

About the ATD Competency Model™
The ATD Competency Model defines the talent development field. It also answers the question, “What do talent development professionals need to know and do to be successful?” The ATD Competency Model is composed of 10 areas of expertise (AOEs)—the functional and technical areas specific to talent development—and six foundational competencies, which are the general skills required for many professions. For more details, go to [www.td.org/commpmodel](http://www.td.org/commpmodel).

What Is APTD®?
The Associate Professional in Talent Development (APTD) is a certification for talent development professionals offered by ATD CI. The APTD requires meeting eligibility criteria, passing a multiple-choice exam, and recertifying every three years. The certification exam covers three primary AOEs as defined by The ATD Competency Model: instructional design, training delivery, and learning technologies. Evaluating learning impact and global mindset are also tested. Individuals who pass the exam earn the right to display the APTD designation after their names.

Who Should Pursue the APTD Certification?
The APTD testing process is designed for talent development professionals who are newer to the field or for those who are focused on instructional design, training delivery, or learning technologies. The certification validates that individuals have a solid understanding of core instructional design, training delivery, and learning technology practices and can apply these areas with a global mindset.

What Are the Eligibility Requirements?
To be eligible for the APTD program, candidates must meet one of the following requirements:

- Have at least three years of work experience in the talent development field or related fields/disciplines. Related disciplines include human resources, higher education, or similar; or
- Have at least two years of work experience in the talent development field or related fields/disciplines PLUS one year of college/university study in talent development or related field/discipline; or
- Have at least two years of work in the talent development field or related fields/disciplines PLUS successful completion of the ATD Master Instructional Designer or the ATD Master Trainer program.

Talent development work experience must be in the areas of instructional design, training delivery, or learning technology. Candidates must have devoted at least 50% of their time in those areas of talent development to be eligible to take the exam.
Test-Out Options
Due to the strength and rigor of the ATD Masters series, candidates who have successfully completed an ATD Master Instructional Designer or Master Trainer will be able to elect to test-out for that portion of the exam. Only one portion of the exam may be deemed exempt and candidates having both ATD Master Instructional Designer and Master Trainer designations will need to choose which section they wish to omit. The cost of the exam will remain the same for full-test candidates and test-out candidates and the resulting certification will be equivalent.

THE APTD CERTIFICATION PROCESS
Earning the APTD certification is a progressive process that involves the following phases:

Phase 1: Decide
Just as training is not the solution for everything, neither is the APTD. Take the time to assess your personal career goals against what the APTD has to offer and what it requires to determine whether APTD is right for you.

Some things to consider include:

- Do you meet the eligibility requirements by having at least three years of experience or equivalent?
- Is this certification compatible with your career goals and aspirations?
- Do you wish to focus on instructional design, training delivery, or learning technologies?
- Are you ready to commit the time, energy, and resources?
- Have you read this entire document so that you fully understand the program requirements?
Phase 2: Prepare
While there is not a mandatory test preparation or study requirement for the APTD program, we recommend you take the time to review the content information associated with the exam.

The content outline in appendix C provides the topics covered on each exam and can be used as a general guide for the study process.

Those seeking additional preparatory resources might consider one or more of the following methods listed. Links to the ATD resources can be found at: www.td.org/certification/aptd/prepare.

- Complete the practice exam.
- Purchase the ATD Learning System: APTD Edition, which covers the areas tested and includes quizzes.
- Sign up to attend ATD’s Preparing for the APTD workshop (Three formats available).
- Join the APTD Candidate Preparation LinkedIn Group.
- Become part of an ATD chapter study group.
- Find resources on the Internet (study materials, study groups).

We recommend that you spend at least 50-60 hours to prepare. When preparing, keep the following suggestions in mind:

- Create a realistic study schedule.
- Pay attention to the AOE.s and how they are weighted on the exam.
- Evaluate your knowledge gaps and concentrate on closing those gaps.
- Recognize that you cannot memorize everything; use memory techniques to recall key points.
- Focus on accepted principles and theories, not on memorizing obscure names and dates.
- Take notes to help reinforce key concepts.

Before proceeding please add APTDCertification@td.org to your email “safe list” to ensure that you receive communications about the APTD program

Phase 3: Apply & Register
- Step 1: Apply
- Step 2: Register and pay

Apply

To begin the process, applicants will need to do the following:

- Read the entire handbook. As part of the application you must sign a statement verifying this.
- As part of the process, individuals are required to sign important releases and agreements, including an applicant declaration and release, candidate intent to participate, and a code of ethics. These are part of the online application process and are included in this handbook under appendix A. Candidates should familiarize themselves with this information prior to enrolling in the program.
• If you are an ATD national member, you will need your username and password to log in. If you can’t remember it, call ATD Customer Care at 800.628.2783. Do not create a new user profile.
• Include specifics about your employment positions in the talent development or related fields, including position title, starting and ending dates, employer names, and employer addresses. You will also need to identify your specific talent development activities and percentage of time devoted to those activities.
• Be sure to include sufficient employment information to meet the minimum eligibility requirements. If you have more than one talent development employment position to report, add more employers by clicking the ADD NEW button in the application.
• Include names and contact information of references from each listed employer who can validate your talent development experience.

Individuals apply and register for the APTD certification program online at the [APTD Apply page](#).

During the online application process, candidates will be required to verify eligibility. Candidates must provide details about qualifying talent development employment, along with reference names and contact information for each position listed. If there are questions about eligibility, individuals will be contacted to provide more specific documentation. Any individual deemed ineligible will be invited to reapply once the minimum eligibility requirement is met.

An individual may appeal an eligibility denial decision. For more information about the appeals process, refer to appendix B.

**Special Accommodation Arrangements**

ATD CI and its testing vendor comply with the provisions of the Americans With Disabilities Act (ADA) and Title VII of the Civil Rights Act in accommodating candidates with disabilities who need special accommodations to take the exam. Candidates requiring special accommodations must notify ATD CI of their request prior to submitting their application. Only ATD CI has the authority to approve requests.

The process for notification is as follows:

**Before beginning your application**, notify the certification staff at [APTDCertification@td.org](mailto:APTDCertification@td.org) of your intent to request an accommodation. Write “ADA Request” in the subject line.

Once your request is received, a copy of the request for special accommodations form will be sent to you. This document must be completed by you and signed by a licensed or certified professional qualified to diagnose or treat your condition. In addition, this professional must provide a Statement of Explanation on official letterhead describing the conditions and the special accommodation(s) needed.

Both the completed form and the Statement of Explanation must be sent to ATD CI by email at [APTDCertification@td.org](mailto:APTDCertification@td.org) or by fax at 703.683.8183 at least 10 weeks before your selected testing window opens. Once received, your request will be reviewed to determine if reasonable accommodations can be made. You will be notified within five (5) business days of the decision.

Please note that there are no extra fees charged by ATD CI for this accommodation if the procedures outlined in this section are followed.

For additional information, please contact ATD CI at [APTDCertification@td.org](mailto:APTDCertification@td.org).
Register & Pay
Once your application has been completed and submitted, you may register and remit the APTD registration fee. Click on Complete a Form within your APTD candidate record and choose the APTD Registration Form. Payment in full must be made at the time of registration in U.S. dollars by credit card, check, wire transfer, or money order. No purchase orders are accepted.

ATD CI accepts Visa, MasterCard, American Express, Discover, money order, checks, ACHs, or wire transfers. Payment must be in U.S. dollars and made payable to the Association for Talent Development Certification Institute (ATD CI). If paying by credit card, your receipt appears onscreen for you to print/save. If you choose to pay by check, your invoice will appear onscreen for you to print and send in with your payment.

If you choose to pay by ACH or wire, please contact APTDCertification@td.org to obtain an invoice after you have completed the APTD Registration Form. ACHs and wire transfers should be sent to the specific bank account designated by ATD CI, and the invoice prepared by ATD CI staff will include the bank details.

All payments must be accompanied with proper documentation. An applicant does not become a candidate until the APTD registration fee is paid. Once paid, candidacy for the APTD program is for one year. Candidates must successfully complete the APTD Exam within this one-year timeframe or APTD candidacy will expire. Expired candidates will need to reapply and remit full payment.

Phase 4: Test
The APTD certification process involves candidates taking and passing a computer-based test administered at an APTD authorized testing center.

The APTD Exam
The APTD exam is designed to measure a candidate’s understanding of several core areas. The full exam contains 115 multiple-choice questions that focus on instructional design, training delivery, and learning technologies plus evaluating learning impact and global mindset. Candidates taking the full exam will have 120 minutes (2 hours) to complete it. Candidates who choose to test-out will only be tested on the AOE not covered in their ATD Master designation and the exam will contain 72 multiple-choice questions that will focus on the following:

- Master Instructional Designer Test-out Exam Contents- Training delivery and learning technologies plus evaluating learning impact and global mindset.
- Master Trainer Test-out Exam Contents- Instructional design and learning technologies plus evaluating learning impact and global mindset.

Candidates who chose to test-out of a portion of the exam will have 90 minutes (1.5 hours) to complete the exam. Questions on the exam are of the following type and format:

- Traditional multiple-choice format: a question and four response options, one is the correct answer.
- Scenario-based format: multiple-choice questions related to a short scenario.
The following table shows the relative weights of topics on the full exam by AOE:

<table>
<thead>
<tr>
<th>Area of Expertise (AOE)</th>
<th>Exam Weight (%)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instructional Design</td>
<td>37%</td>
</tr>
<tr>
<td>Training Delivery</td>
<td>37%</td>
</tr>
<tr>
<td>Learning Technologies</td>
<td>26%</td>
</tr>
</tbody>
</table>

Note that items pertaining to evaluating learning impact and global mindset are embedded within the three primary AOE.s. Because these items are embedded, these areas are not scored separately.

**Test Administration**

ATD CI partners with a third-party test administration provider to deliver the exams. The test delivery provider offers authorized testing centers around the world. The testing vendor cannot guarantee the availability of testing sessions, and all testing center locations are subject to change. For the list of testing centers, see the [https://home.pearsonvue.com/atd](https://home.pearsonvue.com/atd).

ATD CI recommends that candidates schedule appointments at a Pearson Professional Center (PPC). PPCs are owned and managed entirely by Pearson VUE. All PPCs have the same layouts, policies, computer stations, etc. so consistency is guaranteed from one center to another.

Although Pearson VUE Authorized Testing Centers (PVTC) may have available appointments, all PVTCs are owned and independently operated by third-party providers. These centers will vary from location to location.

**Appointment Scheduling**

1. Once a candidate’s application is approved and payment is made to ATD CI, the candidate may schedule the seat at the testing center. Candidates will receive an email from PearsonVUEConfirmation@pearson.com with instructions on how to schedule their appointment within 24 hours after their payment is processed.
2. Testing appointments are arranged on a first come, first served basis. If candidate is unable to test in their selected testing window because a desired testing date or time is no longer available, a transfer fee will be charged if the candidate is eligible to transfer.
   - Appointments must be scheduled during the testing window only. No tests can be taken outside the testing window.
   - All appointments are first come, first served. If a candidate delays setting up a testing date and time, the selection of available dates and times will be more limited.
   - All requests for special accommodations under the Americans With Disabilities Act must be submitted to ATD CI directly before application and registration. Please contact APTDCertification@td.org to obtain the special accommodations policy document and request for special accommodations form.
   - The testing provider cannot guarantee availability of testing sessions at specific international locations.
   - Think about the timing of your appointment within the window as schedule your appointment accordingly. Appointments made late in the window allow more time to study and prepare, but if something happens and you are not able to test during your appointment, ATD CI cannot extend the window. You risk having to pay the transfer fee if you are caught too late in the window and are unable to test.

Updated 3.6.2019
Appointment Confirmation

After scheduling a testing appointment through the online scheduling system, the candidate will receive a confirmation email.

- The confirmation notice will include the test center name and address; and the date, time, and location of the testing appointment.

Cancellations and Rescheduling

- Candidates must cancel or reschedule testing appointments directly through the online appointment scheduling system.
- All cancellations and reschedules must be made at least 72 hours before the scheduled test day.
- If the cancellation or rescheduling request is made less than 72 hours before the scheduled test day, the candidate is considered a no-show. ATD CI requires a $100 no-show fee payment directly from the candidate. Please contact APTDCertification@td.org to remit this fee.
- Any missed appointment will be considered a no-show. ATD CI requires a $100 no-show fee payment directly from the candidate. Please contact APTDCertification@td.org to remit this fee.
- In the following situations and with appropriate documentation, candidates may cancel their testing appointment with fewer than three full business days’ notice. Please contact APTDCertification@td.org to cancel. Proper documentation includes a hospital intake or discharge paper, obituary, jury duty notice, and so on:
  - serious illness (either the candidate or an immediate family member)
  - death in the immediate family
  - disabling accident
  - court appearance
  - jury duty
  - unexpected military call-up.

What to Take to the Testing Center

- Identification Requirements
  - You are required to present two forms of original (no photo copies), valid (unexpired) IDs; one form as a primary ID (government issued with name, photo and signature) and one form as a secondary ID (with name and signature or name and recent recognizable photo). The first and last name that you used to register must match exactly the first and last name on the ID that is presented on test day. All IDs required must be issued by the country in which you are testing. If you do not have the qualifying ID issued from the country you are testing in, an International Travel Passport from your country of citizenship is required, along with a secondary ID. If you have any questions or concerns about the ID you are required to bring with you to the testing center for admittance for your exam please contact Pearson VUE at www.pearsonvue.com/contact. To view the full ID policy please visit http://www.pearsonvue.com/policies/1S.pdf

Personal belongings should be left at home, in the car, or the site will secure them (but not allow them into the testing room).
What to Expect at the Testing Center

- The testing provider personnel will verify the identity of each candidate prior to allowing the candidate access to the testing center.
- All candidates will be required to leave personal property, including phones, purses, hats, etc. in a locked location outside the testing room. Glasses will be inspected to ensure that they do not include smart technology. Candidates may be asked to empty their pockets, or show that no materials are hidden in boots or sweatshirt pockets, etc. These policies are enforced to ensure that all candidates are following the same strict testing and security policies.
- The candidate must provide required identification to be admitted to the testing center. **See above. Individuals without the required identification will NOT be allowed to test.**
- Trained test proctors will administer the APTD exam.
- Three pieces of blank paper and two pencils/white board will be given to each candidate by the proctor and these items will be collected at the end of the test.
- The examinations will be timed, with a timer displayed on the computer screen. Candidates taking the full exam will be permitted a total timed testing period of 120 minutes (2 hours) to complete the 115-item exam. Candidates testing out of a portion of the exam (either instructional design or training delivery) will be permitted a total timed testing period of 90 minutes (1.5 hours) to complete the 72-item exam.
- Upon completion of the exam, candidates will receive notification of results immediately.

GENERAL EXAM POLICIES

Exam Copyright
ATD CI holds all proprietary rights for the examination, including copyright and trade secret. To protect the integrity of the examination and to ensure the validity of the scores that are reported, candidates must adhere to strict guidelines regarding proper conduct in handling the copyrighted, proprietary information.

Any attempt to reproduce all or part of an examination is strictly prohibited by law. Such attempts include, but are not limited to, removing materials from the examination room, aiding others in reconstructing any portion of an examination by any means, or selling, distributing, receiving, or having unauthorized possession of any portion of an exam. Alleged copyright violations will be investigated and, if warranted, prosecuted fully. It should also be noted that examination scores might be invalidated in the event of this type of suspected breach.

Confidentiality and Conduct
You must abide by the following confidentiality and conduct agreement. Failure to abide by the rules of conduct may result in your dismissal from the program without refund. The agreement is as follows:

“I understand that the contents of this test are copyrighted, proprietary, and confidential and that disclosure or reproduction of any portion of it to any individual or entity for any purpose whatsoever is prohibited. Such activity will result in the invalidation of test scores and may result in civil and/or criminal prosecution. I can be disqualified from taking or continuing to sit for an examination, or from receiving examination results, or my scores might be canceled if there is substantial reason to believe through proctor observation, statistical analysis, and/or other evidence that my score may not be valid.
or that I was engaged in collaborative, disruptive, or other unacceptable behavior during the administration of this examination."

**Grounds for Dismissal**

Any candidate who does not have proper identification, who uses unauthorized aids, or who does not follow the testing procedures may be dismissed from the test center. ATD CI may choose to have the test scores of such candidates invalidated.

Candidates who engage in misconduct and do not heed the administrator’s warning to discontinue the behavior will be dismissed from the test center. The following behaviors are considered misconduct:

- giving or receiving assistance of any kind, including accepting exam details from another individual, organization, or entity or providing exam details to another individual, organization, or entity
- using any unauthorized aids
- attempting to take the examination for someone else
- failing to follow testing regulations or the instructions of the test administrator
- creating a disturbance of any kind
- removing or attempting to remove examination questions or responses (in any format) or notes about the examination from the testing room
- tampering with the operation of the computer or attempting to use it for any function other than taking the examination.

Before an exam is canceled for misconduct, the test administrator will notify the candidate of any concerns. The candidate is then given an opportunity to provide additional information. The test administrator then has the following options:

- Dismiss the candidate and file a report with ATD CI describing the action and the reasons for dismissal.
- Allow the candidate to continue and file an irregularity report with ATD CI describing any observations.

In either event, ATD CI will review that candidate’s test record and will decide as to the handling of the candidate and the score.

**Exam Complaints or Comments**

Candidates who have complaints or comments about any matter related to the testing program may send written correspondence directly to the associate director of credentialing at hbatts@td.org. Candidates should include their name, address, telephone number, email address, the name and date of the test, the location of the testing center, and the name of the test administrator (if known).

Because of test item security, ATD CI will not provide details about any exam questions.
After the Exam

Exam Results
The final score is determined by the number of items answered correctly out of the total number of items on the exam. The score report will include the candidate’s name, certification ID number, scaled score, and pass-fail status.

To pass each exam, a candidate must answer a minimum number of items correctly. This minimum number is called the cut score, and any candidate who scores at or above the cut score will pass that exam.

If a candidate believes that a failing score was received because of a scoring error, the candidate may appeal. For information about the appeals process and the necessary submission form, refer to appendix B.

How the Cut Score Is Determined
ATD CI takes great care in determining the cut score for each exam form. The cut score is established through a process called standard setting, during which a panel of experts from the talent development field conducts a systematic evaluation of the test content. The panel discusses the qualifications for certification and makes a judgment on the level of knowledge an individual needs to be successful on the job.

Their expert judgment is translated to a specific cut score on the exam using the statistical Angoff method. The Angoff method is commonly used to set passing standards in the credentialing industry. Using this method, the panel of experts reviews and evaluates a representative sample of exam items that map to the test content outline. For each item, the group estimates the percentage of qualified candidates who are expected to answer it correctly.

For example, an item rated as 75 percent indicates that three-fourths of the candidates are expected to answer the item correctly. Ratings for each item are then used to compute an overall minimum passing score for the exam.

Retesting
Should a candidate not pass the APTD exam, a candidate may retest, if it is within the one-year expiration window. Candidates cannot retest in the same testing window. A retest fee is required to register to retake the APTD exam.
**APTD Achievement**

To achieve APTD certification, candidates must pass the APTD exam. Once this has been accomplished, candidates are permitted to display the APTD letters after their name. New APTDs will receive an electronic certificate as further recognition of their accomplishment. APTDs are encouraged to do the following to maximize the impact of their achievement:

- Maintain the credential by recertifying every three years;
- Display their credentials behind their name on business cards, resume, and on social media;
- Join social media groups devoted to the APTD to network and continue to learn from colleagues.

**Phase 5: Maintain Certification**

The APTD credential is valid for three years. APTD credential holders must recertify during each three-year recertification period to maintain the certification. The recertification cycle begins the first day of the month after notification of APTD success. Recertification points must tie to one or more AOEs in *The ATD Competency Model*. Credential holders must accrue a minimum of 40 points during each three-year recertification cycle. The categories for recertification points are listed in the following table.

APPENDIX B: APPEALS PROCEDURES AND FORMS

APTD Eligibility Appeals Procedure and Form

APTD Exam Appeal Procedure and Form
**APTD Eligibility Appeals Procedure and Form**

When a negative decision about eligibility is communicated to a candidate, the communication will also state that it is an appealable decision, and it will place the candidate on notice that he or she has 10 business days in which to advise ATD CI in writing that he or she intends to exercise the right to appeal. A candidate may appeal the denial of eligibility to enter the APTD program by submitting a written appeal using the [APTD Eligibility Appeals Form](mailto:hbatts@td.org) by email to Holly Batts at hbatts@td.org.

The appeal must document the denial and provide evidence supporting the candidate’s claim for eligibility. Grounds for appeal are limited to the following:

a) Misapplication - the negative decision was the result of the misapplication of the eligibility requirements and such misapplication prejudiced the candidate; or

b) Misinterpretation - the negative decision was not supported by, and is contrary to, the evidence in the record on which the decision of ATD CI was based.

In submitting the appeal, the candidate must use the following processes:

1. Appeals must be made in writing within 10 business days of receipt of the denial of eligibility.

2. The candidate must detail in writing the grounds upon which he or she bases his or her appeal, along with any referenced information upon which the candidate intends to rely in support of the grounds for appeal. The candidate should include a specific reference to where the information or documentation was previously provided.

3. ATD CI will confirm receipt of all appeals within 30 days of receipt. All appeals are confidential.

4. Upon receipt and preliminary review of the written notice of appeal, ATD CI will determine if a negative decision was the result of the misapplication of the eligibility requirements and will notify the candidate in writing of any necessary adjustments that shall be made. ATD CI shall submit any other appeals alleging misinterpretation of the evidence to the Appeals Panel in accordance with the procedures set forth herein.

5. Upon the receipt of any appeals alleging misinterpretation of the evidence, ATD CI will notify the Chair of the ATD CI Board of the notice of appeal. The Chair of the ATD CI Board will appoint a panel of up to 12 individuals to serve as the Appeals Committee. ATD CI shall appoint a three (3) member panel from among the membership of the Appeals Committee to serve as the Appeals Panel for each appeal. The identity of the full Appeals Committee will be disclosed. The identity of the three (3) member Appeals Review Panel will not be disclosed. Any member of the Appeals Panel with a potential conflict of interest with respect to the candidate must disclose the potential conflict to ATD CI and, if it is determined that a conflict exists, that member of the Appeals Panel must not participate in the decision-making process. ATD CI will replace the vacant seat on the Appeals Panel with a member of the Appeals Committee who does not have a conflict with respect to the applicant.

6. The review and determination shall occur within 60 days of designation of the Appeals Panel, in accordance with these procedures and any guidelines developed by ATD CI. If the Appeals Panel finds that good cause exists to re-evaluate eligibility, it may require further evidence or...
documentation or information from the candidate. Such request shall be set forth in writing and the candidate is to provide the requested documentation or information within 30 days of request. In this instance, the Appeals Panel shall render a decision within 30 days of receipt of the additional documentation and information.

7. In reaching its decision, the Appeals Panel will consider the record before ATD CI at the time it made its decision regarding the candidate’s appeal, any written statements the candidate submitted in connection with the appeal, and any additional information or documentation provided by the candidate at the Appeals Panel’s request.

8. The Appeals Panel, on a majority vote, either affirms or reverses the decision being appealed. If the Appeals Panel affirms the decision, it becomes final at that point. If the Appeals Panel reverses the decision, it will provide a detailed written explanation of its rationale. ATD CI will implement the Appeals Panel’s decision in a manner consistent with any directive of the Appeals Panel and applicable APTD Program Policies and Procedures.

9. The Appeals Panel will send notification of its decision to ATD CI and ATD CI will notify the candidate of the Appeals Panel’s decision within seven (7) working days of its receipt.

APTD Exam Appeal Procedure and Form

When a negative outcome on the APTD Exam is communicated to a candidate, the candidate has 10 business days to advise ATD CI in writing that he or she intends to exercise the right to appeal. The candidate may appeal the results of their exam by submitting a written appeal using the Exam Appeals Form to ATD CI to the Senior Director by emailing Holly Batts at hbatts@td.org.

The appeal must document the score received and provide evidence supporting the candidate’s claim. Grounds for appeal are limited to the following:

a) Scoring errors – the score was incorrect because of data entry, calculation, or reporting errors.
b) Improper Procedures - the score was biased as a result of improper procedure. Improper procedure is when accepted rules, standards, or proper procedures were not followed.

The appeals procedure is as follows:

1. An APTD candidate must submit all appeals in writing within 10 business days of taking the exam using the Exam Appeals Form. The Exam Appeals Form must be completed in its entirety by the candidate and include only relevant, truthful, and accurate information. The candidate must detail the grounds upon which he or she bases his or her appeal, along with any referenced information upon which the candidate intends to rely in support of the grounds for appeal. Appeals received more than 10 business days following the exam will not be considered.

2. ATD CI will confirm receipt of all appeals within five (5) business days.

3. Upon receipt and preliminary review of the written notice of appeal and a properly completed APTD Appeals Form, ATD CI will determine whether the appeal alleges that the candidate’s score was the result of scoring errors. ATD CI shall investigate any appeals alleging scoring errors, and notify the candidate in writing of its findings and any necessary adjustments that will be made. ATD CI will replace the vacant seat on the Appeals Panel with a member of the Appeals Committee who does not have a conflict with respect to the applicant.

6. ATD CI will send a written notice to the candidate; the notice shall include the written appeals procedures. The review and determination shall occur within 30 days of designation of the Appeals Panel in accordance with these appeals procedures and any guidelines developed by ATD CI.

Updated 3.6.2019
7. In reaching its decision, the Appeals Panel will consider the candidate’s exam, the scoring procedures and process used in connection with the exam, and the information included on the APTD Appeals Form submitted by the candidate. While ATD CI understands that stressors and circumstances can prevent candidates from performing their best, under no circumstances will exam scores be raised as a result of the appeal. Problems that will not be considered in the Appeals Panel review include, but are not limited to, the following: inclement weather, test anxiety or illness, unusual circumstances or conditions, and reasonable test center challenges.

8. The Appeals Panel, on a majority vote, either affirms the score received or grants an appeal. If the appeal is granted, the candidate will be provided an opportunity to retest during the next review window with the retest fee waived. The opportunity to take the exam again is the only resolution; the initial exam score will not be changed.

9. If the appeal is denied and the score received is affirmed, there is no further action or recourse available to the candidate.

10. The Appeals Panel will send notification of its decision to ATD CI and ATD CI will notify the candidate of the Appeals Panel’s decision within seven (7) working days of its receipt.
