CURATED LEARNING PATHS

These learning paths are designed to help you determine which sessions you should attend in the identified focus areas. All our programming is top-notch, and not all sessions align with a designated learning path, so select sessions that interest you to create your personalized learning experience.

New to Talent Development

If you are an “accidental” instructional designer, new to talent development, or a teacher transitioning into corporate training, these sessions would be a great start. They provide the fundamentals of learning and development, leaving you with resources you can use back on the job.

Elevate Your Learning & Development Toolkit

These sessions combine practical and actionable tools, tips, and resources you can use to take your talent development to the next level.

Essential Topics

These sessions incorporate the latest industry topics to update you on relevant talent development practices.

Please note: If a session has been cancelled or moved, leaving a time block with no suggested session, we encourage you to detour onto another exciting learning path.
